Contract Details	
Title	Visualising and Matchmaking Climate-KIC People and Community using Data
Short description	Climate-KIC is letting a contract for services to design and implement a digital platform to help us better understand our People and our Community of partners, alumni, start-ups and other key stakeholders, using data.
Proposed type of contract	Standalone Agreement
Type of process	Request for Proposal
Legal entity	Climate-KIC Holding B.V.
Contract duration	12 – 24 months (project will be subject to six and 12-month stage gate reviews – contract likely to be extended to 24 months if project is deemed to be delivering on the stated aims).
Details of goods/services to be provided	Climate-KIC Holding B.V. is letting a contract for services to design and implement a digital platform to help us better understand our People and our Community of partners, alumni, start-ups and other key stakeholders, using data. Specifically, Climate-KIC would like to be able to visualise and assess our People and Community members, including their areas of focus, strengths and core competencies. In addition to being able to visualise our Community, the key aim of the platform will be to enable us to make smarter matchmaking, both internally and externally, including potentially identifying new high-quality collaborators from across Europe.

Timescales	
Deadline for receipt of expressions of interest	30/04/2019
Date Climate-KIC will send bid documents	01/05/2019
Deadline for receipt of proposals	17/05/2019
Proposal must be valid for	Six months
