Contract Details	
Title	Start-up Deal Platform & Investor Marketplace
Short description	EIT Climate-KIC is searching for a platform/service provider to support with the completion of investment transactions and an investor marketplace to showcase opportunities within the portfolio that are currently fundraising
Proposed type of contract	One-off Agreement
Type of process	Request for Proposal
Legal entity	Climate-KIC Holding B.V.
Contract duration	1 year commencing 01 Feb 2022 with option to renew at EIT Climate-KIC discretion for a further 12 months
Brief summary of goods/services to be provided	<p>EIT Climate-KIC will shortly begin to invest in all start-ups that come through our accelerator programmes (between 75-100 startups per year). We are investing via a Simple Agreement for Future Equity (SAFE)/Advanced Subscription agreement equivalent, with a services element attached to the investment value - the services-for-equity agreement (SFEA). This agreement has already been drafted and reviewed.</p> <p>The investee companies will be spread across Europe and there is scope to invest internationally by the end of 2022.</p> <p>EIT Climate-KIC requires a service provider/platform to facilitate these investments and support in navigating the various jurisdictions we will be investing into.</p> <p>As the portfolio develops, we will also require support with the conversion events across the portfolio and navigating the associated procedures of investing in different European jurisdictions.</p> <p>We also require a platform to showcase companies in the EIT Climate-KIC portfolio that are actively fundraising to promote these opportunities to our investor network.</p> <p>EIT Climate-KIC operates via Climate-KIC Holding B.V a private entity incorporated under the laws of the Netherlands. The investments made will be under the private entity and therefore Dutch corporate law will apply to the SFEA.</p>
