Title	<b>Evaluation of EIT Climate KIC's <i>Transformation, in Time</i> Strategy</b>
Short description	EIT Climate KIC request services to evaluate its strategy, <i>Transformation, in Time</i> (2019-2022) with the purpose of informing strategic decisions for the next cycle.
Proposed type of contract	One-off Agreement
Type of process	Request for Proposal
Legal entity	Climate-KIC Holding B.V.
Contract duration	Approximately 5 months
Brief summary of goods/services to be provided	<p>We seek to commission an evaluation of the 2019 to 2022 <i>Transformation, In Time</i> strategy, implementation and results. The purpose of the evaluation is to provide robust evaluative information on the early progress made by EIT Climate-KIC's <i>Transformation, in Time</i> for learning and evolving the strategy as needed. To fulfil this purpose, the evaluation will need to focus on what's most meaningful and has the greatest potential to provide actionable learning.</p> <p>The assessment will take into consideration: programme impact; engagement with decision making systems, decision makers and communities; and organisational enablers, teams, groups and individuals. Further information on the objectives will be made available in the RFP document for interested bidders.</p> <p>This evaluation will be conducted for a period of 5 months, and will be supported by CKIC's Monitoring, Evaluation and Learning (MEL) team.</p>
