Contract Details	
Title	Procurement of an Entrepreneurship Programme Support Software
Short description	<p>As part of our Entrepreneurship Programmes and efforts to help incubate and accelerate climate-driven innovators and climate solutions, we are running and supporting entrepreneurship support programmes around the world. We are constantly trying to deliver support and services to create, launch and improve operations as well as outcomes of such programmes, with the main goal to scale impact of the climate innovators and businesses.</p> <p>To support such organisations and programmes, we as EIT Climate-KIC want to collaborate with a software solution provider, entering a central agreement including the services and any other necessary agreements, to improve the efficiency and structure of such entrepreneurship programmes as well as generate and provide a blueprint instance available to our own EIT Climate-KICs entrepreneurship programmes as well as to our delivery partners entrepreneurship programmes (ClimAccelerator especially) at any given time.</p>
Proposed type of contract	To be confirmed
Type of process	Request for Proposal
Legal entity	Climate-KIC Holding B.V.
Contract duration	Commencing 15th of August 2022 for a 36 month / 3-year term. Termination is possible annually with a 3-month notice by EIT Climate-KIC.
Brief summary of goods/services to be provided	EIT Climate-KIC and specifically it's division of Entrepreneurship Programmes is requesting a software to support our entrepreneurship support programmes, especially ClimAccelerators. The software should help to efficiently set-up a blueprint, execute, manage and measure such programmes and should offer a great usability for the diverse programme participants (entrepreneurs, mentors, investors, Climate-KIC staff, partner delivery staff, ...), with the purpose of managing engagement, delivery contents, measure data of participants and generate transparency of the acceleration steps. The software will be used by EIT Climate-KIC themselves as well as recommended to its delivery partners for use (and individual agreements with the provider).

Timeline	
Deadline for receipt of expressions of interest	04 th of July 2022
Date EIT Climate-KIC will send bid documents	05 th of July 2022
Deadline for receipt of proposals	19 th of July 2022
Proposal must be valid for	6 months
