

# EIT Community New European Bauhaus

## 2022 NEB Hackathon Winners Contest

### *Application form*

Please note this application form has three main sections. Please complete them all.

For a valid application, please submit both this application form duly completed and the video via [WeTransfer](mailto:xkicneb.ideationawards@climate-kic.org) to [xkicneb.ideationawards@climate-kic.org](mailto:xkicneb.ideationawards@climate-kic.org)

### Your data and Confidentiality (GDPR – *Action required*)

Access to the proposals will be given to all the KICs participating in the EIT Community New European Bauhaus, as well as to the EIT. The title and scope of the proposals will be shared within the KICs communities and will be made publicly available (e.g., on the KICs web site, in presentations at conferences etc.).

#### Your Data

All applicants will have to accept EIT Climate-KIC's [General Terms and Conditions](#) which also include, in particular, related [Privacy policies](#) and [Acceptable Use policies](#) and warrant and represent that they have the authority to agree and accept these on behalf of the named organisation. Personal data provided may be processed, including sharing with other organisations, by EIT Climate-KIC and certain sensitive data elements will be visible to other partners or potential partners of EIT Climate-KIC. The named partner organisation or potential partner of EIT Climate-KIC warrants and represents that in providing personal data in connection with the proposal, the data subjects have consented to the provision of this personal data and the processing of it by EIT Climate-KIC in the manner indicated in accordance with

Privacy policies, and that the partner organisation or potential partner of EIT Climate-KIC provides the personal data in accordance with applicable law.

### **Confidentiality**

EIT Climate-KIC will treat your proposal confidentially, as well as any related information, data and documents received in accordance with our Privacy Policy or as otherwise indicated throughout the proposal form (i.e. public summary, video). Independent expert reviewers or evaluators are also bound by an obligation of confidentiality.

Please pay attention not to attempt to discuss your proposal with persons you believe may act as an independent expert for the EIT Community New European Bauhaus.

**By ticking this box, I hereby accept EIT Climate-KIC's [Terms and Conditions](#)**

### **Section 1**

#### **Name/title**

*Provide a short, informative title of the idea/solution.*

#### **Applicant info**

*Please provide this information for each of the team members:*

- Full name*
- Job title/student and organisation*
- Email address*

Please indicate who will be acting as main contact point for administrative purposes and communication with EIT Climate-KIC. Ensure you provide the above information for that main contact person, as well as a telephone number.

### Which New European Bauhaus 2022 Hackathon did you participate in?

### Short summary (max. 1500 characters with spaces)

The summary should be a clear and concise description of the idea/solution's key elements.

### NEB challenge addressed

Please choose one or more NEB challenges from the list provided in the guidelines.

Please identify the selected EIT Community NEB Challenges addressed by your proposal		In case you selected more than 1 challenge please indicate the primary challenge addressed in your application.
<input type="checkbox"/>	Re-connecting with nature	<input type="checkbox"/>
<input type="checkbox"/>	Re-gaining sense of community and belonging	<input type="checkbox"/>
<input type="checkbox"/>	Prioritising the places and people that need it the most	<input type="checkbox"/>
<input type="checkbox"/>	The need for long term, life cycle and integrated thinking in industrial ecosystem	<input type="checkbox"/>
<input type="checkbox"/>	Peace for Ukraine	<input type="checkbox"/>

### ***Challenge description (max. 3000 characters with spaces)***

*Please define the scope of the selected challenge, including specific issues or context related to that challenge, as well as the importance of addressing them.*

### ***Solution/idea proposed (max. 3000 characters with spaces)***

*Description of the solution/idea clearly indicating its sustainable, inclusive and aesthetics values. Indicate the goals and objectives to be reached, potentials challenges, people involved including targeted groups and audiences, and other relevant information. Please feel free to attach to the application infographic annexes if you think that will explain better your idea.*

### ***Expected impact (max. 3000 characters with spaces)***

*Please detail potential benefits from the idea/solution's implementation, including benefits of participating stakeholders or groups. When listing impact/benefits/projection please describe in terms of quality of experience (including aesthetics), sustainability (including circularity), and inclusiveness (including accessibility and affordability).*
