Contract Details	
Title	Moodle workplace implementation partner
Short description	Hosting and maintenance of EIT Climate-KIC's Moodle-based learning platform and mobile application, including updating, support, and development of new functionalities
Proposed type of contract	One-off agreement
Type of process	Request for Quotation
Legal entity	Climate-KIC Holding B.V.
Contract duration	3 years, with the option of contract termination at the end of every year.
Brief summary of goods/services to be provided	In support of our work, EIT Climate-KIC has developed a wide range of learning resources, a selection of which is currently hosted on a Moodle Workplace and mobile application that was developed in September 2021. We are looking for a supplier that can support the continued offering of our learning activities through the hosting and maintenance this learning platform. Services include regular updating and support, as well as potentially the development of new courses or functionalities where needed.

Timeline	
Receipt of expressions of interest	By 8 November 2023
Date EIT Climate-KIC will send bid documents	9 November 2023
Deadline for receipt of proposals	17 November 2023
Proposal must be valid for	6 months
