

# Blue Economy ClimAccelerator Malta

**Demo Day: 09 May 2025**

It is with great pleasure that  
ClimAccelerator Malta extends an  
exclusive invitation to join  
online our Demo Day.

A premier event showcasing the  
intersection of Blue-Tech innovation,  
ocean sustainability and  
investment potential.

[Download the Program](#)

## Demo Day Highlights:

- Experience pitches from highly selected ventures from 3 continents, each developing leading-edge blue economy solutions.
- Engage in dynamic pitch sessions and interactive Q&A segments.
- Gain insights into their developmental journey and the valuable learnings acquired.
- Discover diverse investment prospects within the high-growth Blue-tech innovation landscape.
- Network and forge meaningful connections with a selected group of climate impact innovators, investors, strategic partners, policy makers, and environmental thought leaders.

Join the event on our YouTube channel from 13.30 on Friday, 09 May, to watch some among the best Blue-Tech startups introducing their breakthrough solutions, and to enjoy topical speeches and engaging panels:
